

EXHIBITOR SALES TAX FORM

Under California State Law, Show Management is required to keep a record of each exhibitor's sales tax information for inspection upon demand by the State or be subject to a fine of \$1,000.00 per exhibitor. This fine will then in turn be levied against the exhibitor in violation.

Therefore, in order to comply with this law, we require **ALL** exhibitors to complete and return this form to the address below. Please be advised that failure to return this E for All Sales Tax Form with all the relevant information provided may result in the delay of your participation in the event. **Show Management will not allow any exhibitor to set-up their booth without this form on file.** Due to the significant nature of the fines, this policy will be strictly adhered to without exception.
